

FUNDRAISERS

Pizza Pub Fundraisers are a great way for local organization to earn money.....and they are easy!!

Sales are scheduled on Saturdays. Orders are taken for approximately 2-3 weeks before your sale. We need to know the final count of pizzas sold by the Monday (at noon) before the Saturday delivery date.

Pizzas are made fresh on the morning of your sale and are ready to bake or freeze. Baking instructions are included.

Pizzas are sold at the following prices:

Cheese - \$6.50

Cheese & Pepperoni - \$7.25

The profit for your organization is \$2.00 for each pizza sold.

The person selling the most pizzas from your organization will receive a Pizza Pub t-shirt.

The pizzas may be picked up by the individual sellers at the Pizza Pub or they can be delivered to a site designated by you. (A delivery fee may apply – ask for details.) If the pizzas are picked up at the Pizza Pub, a member of your organization must be present during the scheduled pick-up time.
